

UNIVERSIDADE FEDERAL
DO RIO DE JANEIRO

21 March 2018

Dear Symposium Attendee,

You are cordially invited to attend the 9th Symposium on Turbulence, Heat and Mass Transfer (THMT-18), which will take place in Rio de Janeiro, Brazil from July 10 - 13, 2018.

We hope that you will be able to attend and participate in this exciting event, by either presenting scientific results or taking part in the discussions.

This Letter of Invitation is to facilitate your visa application only for attending the Congress and does not imply any different relationship or financial assistance.

Visitors to Brazil must obtain a visa from one of the Brazilian diplomatic missions unless they come from one of the visa exempt countries or countries whose citizens are eligible to apply for an electronic visa.

US/Australia/Canada/Japan passport holders now have the option to apply for an e-VISA online. e-Visas are good for up to 2 years and are processed within five business days. The cost is USD 40 (+ processing fee) payable by credit card online. The visa will be send by e-mail to the applicant after approval. There is no need to submit documents in person or by mail.

We recommend that you proceed with the visa application as soon as possible. We look forward to seeing you in Rio.

Yours faithfully,

Prof. Atila P. Silva Freire
Symposium Chairman
Federal University of Rio de Janeiro
Rua Moniz Aragão Nº 360, Bloco 2
